Academic Employment

BROCK UNIVERSITY, ST. CATHARINES, CANADA

Digital Scholarship Librarian (seconded until 2024)   2023-

WESTERN UNIVERSITY, LONDON, CANADA

Sessional Lecturer, Faculty of Information and Media Studies   2022—

- Instructor for LIS9372A: Digital Humanities and Library and Information Science

BROCK UNIVERSITY, ST. CATHARINES, CANADA

Instructional Design Librarian (tenure granted April 2023)   2020—

- Consulting internally with library staff and faculty librarians on pedagogical best practices related to information literacy instruction
- Coordinating digital learning initiatives, including https://brocktnl.github.io
- Instructing undergraduate and graduate students on using library databases for research and coursework related to specific disciplines
- Liaising with external units, such as the Center for Pedagogical Innovation, on institutional priorities (such as the LMS)

NEW COLLEGE OF FLORIDA, SARASOTA, USA

Interim Director of Educational Technology   2020

- Coordinated Educational Technology Services, the Academic Resource Center, and administered Canvas (Instructure), the campus learning management system
- Worked with individual faculty to understand the teaching/learning environment, reviewed technological options related to teaching needs, collaborated with faculty to identify technologies that will enhance learning, and trained faculty to use new technology
- Promoted the use of effective technology tools to enhance teaching, research, and educational projects
- Maintained relationships with Library staff, academic divisions, disciplinary units and with technology service providers throughout NCF to explore new hardware and software tools, obtain resources, and advocate appropriate technology responses to faculty and student needs

Research, Instruction, and Digital Humanities Librarian   2018—2020

- Worked collaboratively with faculty, students, staff and other librarians on established digital projects, as well as providing support for new digital scholarship projects
- Taught critical information literacy and critical digital pedagogy workshops, one-shot, and embedded instruction sessions
- Provided outreach to non-academic units to develop events and services that promote the Library

- Provided support and expertise in the use of digital technologies for research and learning, including but not limited to digital curation software, text analysis, data mining, mapping, social network analysis and data visualization
- Participated in collection development in assigned areas, liaised with assigned subjects, and lead/participated in library-sponsored events and exhibits
- Coordinated scholarly communications services, including open access, licensing, and copyright educational initiatives
- Coordinated the NCF Digital Scholarship Studio, including programming, outreach, and project development. Supervising one Digital Scholarship Student Assistant. Project lifecycle management using qdPM

UNIVERSITY OF WATERLOO, ONTARIO, CANADA

Co-op Librarian, Information Services and Resources   2017

- Coordinated institutional bibliometrics analysis and reporting initiative in collaboration with various stakeholders across campus.
- Supported the Bibliometrics Working Group on Pure CRIS implementation and SciVal training.

WESTERN UNIVERSITY, ONTARIO, CANADA

Repository Coordinator, Faculty of Information and Media Studies   2016—2018

- Populated the Faculty of Information and Media Studies community in the Western University institutional repository
- Solicited pre- and post-print versions of research articles and chapters
- Provided outreach and information about open access and developed new depositing workflows using emerging tools and technologies.
